Dear Dan Paquette:

Pipeline safety and loss management systems for gas utility pipelines

1. Thank you for your letter of November 5, 2019, describing AltaGas Utilities Inc.'s response to the Alberta Utilities Commission's assessment of Pipeline Safety and Loss Management Systems for Gas Utility Pipelines. The letter outlined AltaGas Utilities Inc.'s approach to refine its existing safety and loss management procedures with completion by December 15, 2022. The AltaGas Utilities Inc. proposal was reviewed and accepted at a Commission meeting on September 8, 2020. Please provide the AUC with six-month progress updates.

2. Should you have any questions, please contact the undersigned at 403-592-4434 or by email at brian.shand@auc.ab.ca.

Yours truly,

Brian Shand, P.Eng.
Applications Director
